GREETINGS FOR 1937

It is our pleasure to offer to you, in this list, some of the finest European and American Dahlias.

Our roots are all field grown, and only those varieties which proved satisfactory in our garden are listed, along with many of the newest introductions of which we offer plants only.

No orders accepted for shipment on green plants less than \$2.50. We pay all regular postage or express on retail orders, however 25c must be included with plant orders for special delivery.

Ohio cutomers add 3% sales tax or vendors lincense no.

All roots and plants are guaranteed healthy and true to name to the extent of replacement with true stock.

Terms — Cash with order.

Our winnings at the shows are a recommendation of good stock to our customers.

First at Cleveland, Commersial Display under 100 sq. ft.

**First at National Show, Detroit, 50sq. ft. display
shipped over 150 miles.**

**First at Mid-West Show, Cincinnati, 50 blooms
shipped over 200 miles.**

We not only won many prizes at the shows, but the blooms from our cactus varieties were in great demand at Cleveland wholesale florists, where we sold hundreds of blooms.

Our dahlias are state and federal inspected.
